By Alan Palmer : An Encyclopaedia of Napoleon's Europe an encyclopaedia of napoleons europe by mr alan palmer starting at 331 an encyclopaedia of napoleons europe has 3 available editions to buy at alibris an encyclopaedia of napoleons europe kindle edition by alan palmer download it once and read it on your kindle device pc phones or tablets use features like An Encyclopaedia of Napoleon's Europe:

0 of 0 review helpful Not quite good enough By Marina U The book is inexpensive which is a plus The entries are concise and well thought through My main issue is the formatting of the Kindle version though it has an interactive table of contents one can only use it to find a section of words starting with a certain letter You can t search within such sections There are no links for cross referencing if one arti This is a complete encyclopdia intended for people who are interested not only in Napoleon but in the t urbulent period between 1797 to 1815
