Years in America [2 volumes]: A Historical and Cultural Encyclopedia:

More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity. Approximately 175 A-Z entries on everyday life and popular culture in the United States 1940-1950. An extensive timeline of events during the covered decade. Numerous From Booklist. Though WWII dominates our perception of the 1940s it was just one aspect of life at the time. This encyclopedia covers the decade in 179 entries that focus on the interplay between everyday life.
