From Okihiro Gary : Encyclopedia of Japanese American Internment (Asian American Studies) article about the image of asian americans as the model minority and how its implications about asian successes can be misleading and harmful to the asian american world war ii wwii also called the second world war and in russia the great patriotic

war was a war involving fighting in many parts of the world and many countries Encyclopedia of Japanese American Internment (Asian American Studies):

2 of 9 review helpful Mr Okihiro boycotts Israeli scholars By S mendelson Japanese Americans were the victims of racism during WW2 It is a sad chapter in the American history Unfortunately rather than promoting tolerance and of freedom Mr Okihiro through the asian american studies organization now calls for a total boycott of any academician simply because they are born and working in Israel The book is an excelle This book addresses the forced removal and confinement of Japanese Americans during World War II a topic significant to all Americans regardless of race or color bull Provides comprehensive authoritative concise and clearly written information about the internment of Japanese Americans in a single volume bull Combines first hand accounts by participants in this tragic and historic experience with detailed descriptions of assembly centers From Booklist This volume covers one of the most notorious chapters in American history the internment of 120 000 Japanese Americans many of them for close to four years as sanctioned by the U S government Kn
