0 of 0 review helpful Clinton Information By Delores Excellent source of information on Bill Clinton My son had to do a reserach paper on Clinton The book was very helpful First president of his generation Second president to be impeached Bill Clinton led the nation during eight years of unprecedented economic prosperity and peace creating millions of new jobs swapping deficit for surplus and advancing his agenda of social programs Yet he was riddled with scandal This encyclopedia of more than 230 alphabetical entries covers all the major events issues and personalities of the Clinton administration including full treatments o From Library Journal Clinton seemed to bring out both the best and the worst in himself and others and his presidency will remain fiercely contested political terrain Here Levy history and political science York Coll of Pennsylvania does an admirable job
