0 of 0 review helpful A beautiful set of books on Empires at War By bowonwing which unfortunately has gotten

expensive But if you are willing to pay for it this set is priceless at this writing the asking prices are about 90 I paid much much less for a new set in 2006 so I might wait for lower prices Each section of these books has at the end of it separate heading of The Commanders Lessons of For more than 5 000 years massive empires have met on the battlefield to determine the future course of world history Ranging from Sumer the world s first imperial state to the fall of the Byzantine Empire this comprehensive three volume set which includes both Western and non Western empires details the military capabilities of these empires including the armies soldiers technologies and commanders that powered the imperial juggernaut From the Near East t From Booklist This encyclopedia deals with the sometimes epic wars waged by empires from 4000 B C E to 1453 C E Chapter length ranges from around 13 to more than 60 pages with the longest belonging to the Persia
