**By Ken Albala, Gary Allen : The Business of Food: Encyclopedia of the Food and Drink Industries** food timeline history notes cookies crackers and biscuits fig newtons fig newtons were first produced in 1891 by the national biscuit company now known as nabisco ice cream food historians tell us the history of ice cream begins with ancient flavored ices the chinese are generally credited for creating the first ice creams The Business of Food:

Encyclopedia of the Food and Drink Industries:

The business of food and drink is for better and worse the business of our nation and our planet and to most consumers how it works remains largely a mystery This encyclopedia takes readers as consumers behind the scenes of the food and drink industries The contributors come from a wide range of fields and the scope of this encyclopedia is broad covering from food companies and brands to the environment health science and technology culture finance and more This encyclopedia aims to be a source of information not only about food but also about food that tastes good and is good for our bodies our neighbors and the creatures with whom we share the planet The title is a bit misleading because the encyclopedia co
