**By Catherine Clinton : The Civil War: An Illustrated History** introduction the american civil war is an enormous topic with a rich set of primary source documents images and narratives for students to explore the english civil war 1642 1651 was a series of armed conflicts and political machinations between parliamentarians quot;roundheadsquot; and royalists quot;cavaliers The Civil War: An Illustrated History:

0 of 0 review helpful Pagination is seriously botched By Lauren S I don t know if it s just my copy but up until page 48 the book is fine and then the page that should be 49 is page 33 all over again Pages 33 through 48 repeat themselves and then the page that should be 49 the second time around skips to page 65 This is very disappointing as this is a text I m using in my Teaching Social Studies class so I will ha This new paperback edition of the successful Scholastic Encyclopedia of the Civil War gives a highly visual and chronological account of our nation s bloodiest war It features a striking new cover This year by year account of the war which tore our country apart tells the story of the Civil War

through eyewitness accounts profiles of people famous and ordinary point of view sidebars which capture the essence of the many differences between north and south
