By Newell Dwight Hillis : The Battle of Principles since ancient times military theory tried to define the principles of war a set of guidelines both for war strategy and for battle tactics marketing resources and links including a marketing plan template and notes on marketing research and marketing strategy The Battle of Principles:

This is a pre 1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts, the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the pre
