By Rh Value Publishing : The Illustrated Encyclopedia of 19th Century Firearms (R) (Salamander book) saar ferdinand von smtliche werke 9 novellen aus sterreich iii leutnant burda seligmann hirsch die troglodytin ginevra geschichte eines wienerkindes the pistole parabellum 1908 or parabellum pistole pistol parabellum is a toggle locked recoil operated semi automatic pistol the design was patented by georg The Illustrated Encyclopedia of 19th Century Firearms (R) (Salamander book):

5 of 5 review helpful Good informaiton hardly exhaustive By Alex Yopp When I purchased this book I was hoping it would essentially be a list of firearms of the period with brief articles on each explaining their various qualities Instead the book is more general discussing types of firearms instead of specific ones A few guns are given special treatment and the information provided on them is detailed and complet This comprehensive and authoritative reference on nineteenth century firearms contains a fascinating analysis of the role these weapons played in major battles and military campaigns
