0 of 0 review helpful Enjoyable to my litte son good value in that sense By Vincent Price NOT Overall I am glad I purchased this book because my seven year old son likes to read it What I don t like is that the facts in this book seem to be just random trivia it s organized somewhat into sections but the facts themselves seem to have been either arbitrarily selected by the author s or else they just happene Combines solid information with quirky facts in a question and answer format
