1 of 1 review helpful Beautiful By EchelonGirl7 This is a great gift for my kids I know they will enjoy it very much with their homeschool curriculum Pictures are beautiful 2 of 2 review helpful Kingfisher Geography By Mr Mrs Smith

Great book My early and middle elementary age kids love to feast their eyes on this book It s fun to look at for pleasure as well In today s chaotic information environment it is a challenge to find organized comprehensive yet concise geopolitical information designed especially for student research This fully updated edition of the award winning The Kingfisher Geography Encyclopedia by Clive Gifford is a meticulously researched and visually exciting guide to the essential geographical physical and cultural information of the entire world Illustrated with more than 1 500 photograph lquo The book is well organized and comprehensive but not overwhelming for young readers Colored pictures and maps with major cities and bodies of water are balanced with the text Teachers would find this a good resource to use alongside a tex
