0 of 0 review helpful Great book for kids By J Janardhan This is a great book Unfortunately the book does not have all the pages It starts with Page 274 and then goes to the end and then the pages repeat from 274 again The book arrived in decent shape But I found out about the issue only about 30 days after I received it when my kid complained about it Too late to return it The reason for the 1 star is the printing Book by DK
