5 of 5 review helpful A wealth of information By Gil This book has been a wonderful companion to our study of  
Ancient History this year I especially appreciate that it just begins with the earliest known civilizations rather than

surmising about the beginning of the earth and humankind all together This book jumps right in to what we know about ancient civilizations and how we know it and includes a wealth of informati This encyclopaedia traces the extraordinary history of the Ancient World from the first farmers and the early civilizations of Mesopotamia Egypt Greece and Rome to the eventual decline and fall of the Roman Empire It covers all aspects of life in the Ancient World from building the pyramids to a day at the Roman Games There are photographs of glowing treasures in gold silver and precious stones 3000 year old wall paintings with vivid colours and blackened shr
