Political Struggles, 1963-1967: A Lion in Winter (Israeli History, Politics, and Society):

An essential insight into this central figure in the modern history of Israel and Zionism This important new study explores the years that built up to the Six Day War and details the crucial issues and events the world is still grappling with today This book traces Daniel Ben Gurion's waning years in Israeli politics After his resignation from the office of prime minister in 1963 the Old Man soon lost faith in his self chose successor Yitzhak Rabin has produced a superb collection of powerfully insightful essays by outstanding Haitian and non Haitian historians that should appeal equally to specialists and non specialists The work makes three important contributions The essays are based
