By Strategic Studies Institute : Government Contracting Should Be A Core Competence for U.S. Military Personnel this website links to resources on the web concerning government contracting it is not intended to provide legal advice moreover i do not vouch for the information and assistance to all businesses wishing to do business with the department of veterans affairs in particular and the federal government in general Government Contracting Should Be A Core Competence for U.S. Military Personnel:

The Wars in Iraq and Afghanistan mark an era of unprecedented outsourcing in contingency operations. Although significant outsourcing occurred in prior wars, never has the scale been so large for so long. Counterintuitively, as outsourcing increased, the number of government acquisition personnel decreased. This led to waste, fraud, and abuse. The Commission on Wartime Contracting made several findings and recommendations to prevent future contract administration problems.
