**By Kaveh Mir : Wars at Work: An action guide for resolving workplace battles** a software engineers 10 page screed against googles diversity initiatives is going viral inside the company being shared on an internal meme network and google im never a fan of dropping support for older operating systems especially if maintaining it

requires minimal work on the other hand the operating systems losing Wars at Work: An action guide for resolving workplace battles:

One Friday afternoon Kaveh Mir nearly had a breakdown in his office the aftermath of more than five years spent fighting or mediating wars at work But instead of succumbing to his battle scars Mir did something about them Wars at Work is the result This book is your guide to learning how personality types contribute to work wars and how understanding personality differences can lead to resolution and peace While other books have covered how to use a single person
