Volume I: January to June:

1 of 1 review helpful A unique reference book By Abby The massive amount of information contained in this book isn't the only thing that makes it special The way it is displayed is definitely unique to my knowledge It's like a 700 page calendar I can go to a specific date and find information about birth dates of the famous as well as the infamous the history of a specific ship statistics on actual battles and almo This book is set up like a calendar containing information pertaining to World War II In going to a specific date you will find it divided by area i e Western Europe North America etc Those areas are further divided by year What makes it a little unique is that those years range from the 1800 acute s to the present day The information includes everything from actual battles to the final fate of a favorite ship to the activities of movie stars during the w About the Author Patrick Watson is a Ph D candidate in Cognitive Neuroscience at the University of Illinois at Urbana Champaign
