By Robert Boyd : The Great War Through Keystone Stereographs historical note the chicago city wide collection contains materials that overlap several neighborhoods scope and content the chicago city wide collection frequently asked questions about the transcontinental railroad also including infrequently asked questions and micellaneous comments central pacific railroad The Great War Through Keystone Stereographs:

2 of 2 review helpful Not what I expected By Anthony Chiappette I do a lot of purchasing on and always read reviews I don t know how I missed the 2 previous reviews for this book I was looking for 3D photos of the war I didn t realize

this book was aimed at collectors and providing information regarding the series of stereoviews that were issued covering war It s my fault entirely so I can t hold it agai Ever wonder why Keystone produced all these different World War stereo cards and what they re really worth Now for the first time there is a comprehensive book providing title lists for all major sets Keystone s links to other manufacturers and a means of accurately evaluating the value of every Keystone World War stereoview About the Author A former Army intelligence officer and Vietnam veteran Bob Boyd is the author of numerous papers and articles on subjects ranging from local Pennsylvania history and genealogy to unconventional warfare His interest in the Great War was aroused
