By Ian V. Hogg : Illustrated Encyclopedia of Artillery an introduction to collecting artillery shells and shell casings by andrew duguid questions or comments can e mailed to the author at bigordnancehotmail hallowell and co livingston montana firearms dictionary gun glossary collectors guns encyclopedia terms definitions illustrated sporting shotgun rifle shooting Illustrated Encyclopedia of Artillery:

1 of 1 review helpful It gives a good overall picture of Artillery By Don Barker It gives a good overall picture of Artillery I was looking for something a little more illustrated by model as opposed to overall history I am a researcher and need to identify artillery by photos and was hoping to find more definition in the book Overall it does provide good information and pictures It only meets a portion my needs Book by Hogg Ian V
