By The Central Intelligence Agency : The World Factbook 2000: CIA's 1999 Edition nov 30 2010nbsp;the united states and its partners continue to face a growing number of global threats and challenges the cias mission includes collecting and extensive database of the worlds languages organizedsearchable by map language family country and language name from sil international also offers print and The World Factbook 2000: CIA's 1999 Edition:

4 of 10 review helpful Who ever said the media got things right By A Customer Someone mentioned that the factbook lists a country as Serbia and Montenegro instead of as Yugoslavia as a big complaint about possible factual errors

Serbia existed long before the name Yugoslavia ever existed to be put on a map and with the dissolution of Yugoslavia for whatever reason one chooses to explain it it has become Serbia This highly acclaimed source of important unclassified CIA data includes all the nations of the world It covers each country s area political climate recent international disputes natural resources environment populations inflation rate GDP agriculture industries defense expenditures national holidays literacy rate religion legal system labor force and much more A map is included for every entry
