3 of 3 review helpful Text book for military history class By Frank B Moore Fortunately I had not read the other review on this book when I first purchased it or else I might have passed on it My social studies department bought 48

of these books after spending a summer searching through countless books which covered military history from the beginning of time to present I finally picked Gilbert s Encyclopedia of Warfa One of the most complete overviews of war ever assembled THE ENCYCLOPEDIA OF WARFARE treats every aspect of the ancient art of war ranging from the army formations of the Egyptians to the problems of peacekeeping in Somalia In thrilling detail it covers the majors wars of history their significant battles and outstanding commanders and discusses the ever changing technology of war and the life and experience of the ordinary soldier Numerous boxes throughout From the Back Cover One of the most complete overviews of war ever assembled The Encyclopedia of Warfare treats every aspect of the ancient art of war ranging from the army formations of the Egyptians to the problems of peacekeeping in Somalia In thrill
