1 of 1 review helpful Great fun but do you agree with the emphasis By Anton Karidian First off I agree with the

majority opinion that THE ENCYCLOPEDIA OF SIXTIES COOL is great fun since it came in I keep carrying it around to read one gripping entry after another The emphasis is on people of the Sixties and of quite a variety singers actors athletes artists writers politicians astronauts though entertainers The Encyclopedia of Sixties Cool profiles over 250 of the most intriguing personalities of the 1960s The men and women covered in the book include a wide range of celebrities from well known superstars the Beatles Dustin Hoffman Muhammad Ali to lesser known icons Nico Terry Southern Bo Belinsky who had a significant impact on popular culture The figures include musicians actors directors artists athletes politicians writers astronauts From Publishers Weekly Aimed at baby boomers as well as their kids author and Web designer Strodder Stories Light and Dark has provided more than 250 profiles of actors musicians writers politicians athletes and others who defined a decade Using a light
