By Encyclopedia Britannica Editorial : 2010 Britannica Student Encyclopaedia welcome to britannica school a safe up to date and age appropriate information resource for elementary middle and high school discover encyclopedia articles explore the fact checked online encyclopedia from encyclopaedia britannica with hundreds of thousands of objective articles biographies videos and images from experts 2010 Britannica Student Encyclopaedia:

3 of 3 review helpful Promising addition for my K 5 media center By D Elementary School I love this little encyclopedia set so far The graphic format is very straightforward nothing flashy to distract kids from the relevant info The books are relatively small and light easy to open and browse Paragraphs are short and seem to be well written for

young audiences I can't speak much to content because my experience Newly updated for 2010 the Britannica Student Encyclopedia provides children with a broad collection of information to help them gain a better understanding of their world Designed for ages 7-12 this set provides more than 2,250 captivating articles across a wide range of subjects making it the perfect resource for homework help classroom assignments and everyday answers for curious minds Children will immerse themselves in more than 2,700 photos charts and tables A solid choice as an introductory reference resource The Booklist The Booklist September 1, 2008
