2 of 2 review helpful Priceless Joy By elizabeth gilbert This was one of the priciest books I have bought for my two year old thus far but SO WORTH IT I myself find it intriguing and fun to read His little heart bursts for all things vehicular and this is just hands down the best book depicting them I bought it for him to look at after a surgery and it literally brightened his little face and mood You know that is pri Vehicles vehicles vehicles mdash nearly 100 of them mdash in all shapes and sizes A giant crane hovers over a construction site a space ship roars into space Supersized spreads feature marvelously detailed illustrations that just beg to be pored over again and again Best of all lots of flaps

popups pull tabs and rotating wheels bring the various vehicles to life Readers will poke into a ship s hold explore the innards of a garbage truck and help demoli Plenty on display to satisfy the vehicle obsessed Publishers Weekly This cheerfully illustrated oversized book with its sturdy flaps popups pull tabs and wheels is just too much fun Redbook Magazine s Mamarama Blog
