By Peter Hore : The World Encyclopedia of Battleships for an exhaustive overview of all the worlds fleets warships naval tactics battles and technologies from ww1 to ww2 the cold war and nowadays detailed information on the battleship kongo and others The World Encyclopedia of Battleships:

0 of 0 review helpful Comprehensive history By Maxwell T Sandford The book details the development history and summarizes the battles that many of the ships from the various navies fought It is striking to see how very much time and resource went into producing these ships that were for the most part sunk or eventually scrapped The used copy I received had been relieved of a few pages perhaps for the photos therein
