1 of 1 review helpful Not as good as expected By Q Lu Having read a lot recommendation of the book by homeschooling circle and personally impressed by the on line version 1931 version only vol 1 I ordered it with great expectation However the 1957 version is much different from the earlier one It took a more neutral fact speaking style in contrast to the original warmly narrative with strong moral implication St Complete set of 1953 The Book of Knowledge children s encyclopedia Entries are not alphabetized Classic
